

## **BGR Relief Kits Prayer Points**

### **1. Pray for the Relief Kits recipients**

- Many of these families have been through traumatic experiences. Pray they will experience the peace and hope that only Christ can provide.
- Pray each item in the kit will meet specific needs for the families receiving them.
- Pray the recipients will be able to find work and provide for their families.

### **2. Pray for BGR partners distributing Relief Kits**

- Pray for wisdom in determining the best location to distribute kits.
- Pray for favor in the eyes of the government, local leaders, and religious leaders.
- Pray the kits would meet physical needs while opening doors to meet spiritual needs.
