Baptist Global Response is a 501(c)(3) organization. All gifts are tax-deductible to the full extent allowed by law. We highly value your donation and promise to honor the generosity and intent of your gift in the most effective and efficient way possible. No more than 10% of each gift will be used to offset supporting activities. The items in this catalog reflect BGR's specific ministry categories. The donation amounts are based on actual projects and average costs at the time of writing. BGR will seek to use your gift to meet the most crucial needs within the designated ministry category. When the needs of a particular project or ministry category have been met, gifts will be used in a similar area where the need is greatest. Contributions are solicited with the understanding that Baptist Global Response has complete discretion over the use of all donated funds. No goods or services will be provided to the donor in exchange for any contribution.

Each gift from this catalog will be applied where the need is greatest. Some names and photos may be changed for security.
